THE ART OF CARING

The strongest communities are made up of people who come together to benefit others. People who give their time. People who care.

SWEETWATER WILL BE CLOSED THE FOLLOWING DATES:

- Friday, August 30th through Monday, September 2nd
- Wednesday, November 27th through Sunday, December 1st
- Saturday, December 21st through Wednesday, January 1st

Welcome, we are so glad you are here!

The staff at the Center are thrilled and excited to bring to you our fall class and events schedule. The fall season is our time to reset and focus on our adult programming while continuing to enrich the youth of our community. This year, our Center was blessed with an expansion of new programming, new talented teaching artists, as well as new staff members. I would like to take this opportunity to introduce our community to the Center's fantastic staff.

As always, I want to take this opportunity to appreciate and thank our Luminary Society members, Board of Directors, and all donors for their generosity and dedication to keeping arts and culture alive in our community. Through the support of our donors, patrons, and foundation partners, Sweetwater Center for the Arts continues to be a cultural asset to our community.

The future of Sweetwater is bright!

Christine Brondyke
Executive Director
Sweetwater Center for the Arts

SWEETWATER STAFF: *A Fresh Look*

LIANA AGNEW, Director of Artistic Advancement

Liana started at the Center about six months before I did as our Exhibitions and Events Coordinator. Immediately Christine recognized her passion for the development of our artist community. As a talented ceramic artist herself, Liana understands the unique journey of building a business as a local artist in the community. She will continue to advocate for ours through exhibitions, master classes, cultural festivals and more.

SAIGE BAXTER, Director of Community Engagement and Education

I am thrilled to introduce Saige as the leader of our educational programming and community outreach. Saige comes to us with years of experience in the classroom setting, as well as the non-profit arts community. Saige will focus on building strategic partnerships outside of the Center, as well as creating cohesive educational programming.

DENISE DITRICH, Director of Finance and Operations

A passionate member of our Center for over 19 years, Denise's dedication to Sweetwater is unmatched. She will continue to work closely with our partners and vendors to ensure that our programs and the building continue to run smoothly.

MORGAN MINE, Programs Manager

If you sent your kiddos to our summer camps the last handful of years, you probably have had the pleasure of meeting Morgan. Morgan may be new to our team but she has interned in our education department for years. A recent college graduate with a focus on art therapy and fiber arts, Morgan, with her incredibly optimistic attitude, has been a wonderful addition to our team.

ANDREA RUOTOLO, Manager of Development and Fundraising Events

A familiar face around the Center, Andrea's new role is critical to the growth and advancement of the Center. Andrea will work with the individuals in the region and beyond to build a strong community that supports the Center on an annual basis.

Sweetwater encourages you to register online. Students may set up an online account at sweetwaterartcenter.org/classes, or you may also register in person at the Sweetwater office and by phone. Payment is due upon registration. Sweetwater does not hold a spot in a class until payment is received.

Late Registration: Students may register for any classes, after the start date, space permitting and with approval from the instructor.

Sweetwater Course Policy: Sweetwater makes every effort to maintain the schedule of courses as indicated in the catalog; however, we reserve the right to cancel courses.

Cancellations & Refunds: Sweetwater does not offer make-up classes or tuition reimbursement for student absenteeism. Sweetwater does not prorate tuition for classes that the student cannot attend. If Sweetwater must cancel a class due to insufficient enrollment, registered students will be notified 2 days before the start date, and tuition will be reimbursed. If the student must cancel their enrollment in a course, the following cancellation policy will apply: Class cancellations must be made at least 3 business days before the start date of the class. Students may receive a refund OR a credit voucher for the full amount if they cancel no less than three business days before the class start date. No refunds or credit will be given without 3 business days notice. Credit vouchers are non-transferable between students and may only be applied toward class tuition.

We encourage questions, requests, and suggestions to help us achieve our ongoing goal of creating a comfortable, enjoyable environment suited to all unique needs and abilities.

Building: Accessible entrances to our building include the Bank Street entrance and Sweetwater's parking lot entrance. The Bank Street entrance may be used to access the lower level of our building. The parking lot entrance may be used to access the upper level of our building. Once inside the building, the upper and lower levels are only connected via stairs. Accessible restrooms are available on each level. Due to the nature of our historic building, Sweetwater's gallery, located on the mezzanine, is not accessible for persons with limited mobility.
